Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORLTAND, May 17.—In the absence of more accurate information it is reasonable to presume that the drop in the New York sugar market was occasioned through a readjustment of prices to meet the big reduction made Tuesday by the California refineries. Late in the day (New York time) advices came to Portland that a drop of 10 cents a hundred pounds on all grades of refined had been announced at the Eastern metropolis.

About 500 crates of strawberries arrived this morning from California mostly of the Triumph and Dollar variety.
